Christmas Gift Boxes to Mexico and Financial Outreach to Cambodia was a great Success!

January 2012

On December 27th, the Cornilliac family from CC Bend drove down to So. California to meet up with the Berge family. The following day they all drove to the orphanage to celebrate Christmas with the kids and deliver the gift boxes that many of you so lovingly put together. Included here is a short note from Trevor & Darcy Berge about the trip:

"Glory be to God! Thank you so much for all of your prayers, we felt the power of God through our whole trip! We arrived at

the orphanage with the Cornilliac family on Wednesday morning (12/28) and immediately

Anna Cornilliac playing with one of the little girls

started playing some games and setting up crafts with the younger kids. For lunch we asked

what their favorite meal would be. We were told "KFC" of course! So we picked up some Kentucky Fried Chicken meals and served lunch. We enjoyed sweet fellowship using much of our non-verbal communication I like to call the "language of love". After the food, we called each kid's name one-by-one and our children hand delivered the gift boxes to each child. We concluded by playing more games (volleyball, soccer, football) and finished a very special day. One short story: there was a mother and her two children who came to the gate of the orphanage. I then witnessed one of the servants at the orphanage hand over several bags of bread that they had in the kitchen to help them. I was blown away as these are people that have less than they need to feed the forty plus people there, but they were able to give out of their own lack to help someone in great need. This really

speaks volumes about the heart and love of God's orphanage. Thank you to all who poured out love into each gift box, and thank you to all who helped in preparation of the boxes, the Christmas trees and the coordination to make this all a great success. God used all of you in so many ways. Thank you to the Cornilliacs for driving so many miles to deliver the gifts and serve. Thank you to Pastor Abel Maldonado from Calvary Chapel Montebello for leading us through the confusing streets of Tijuana and demonstrating how to serve others."

Christmas and New Year Celebration at  
Happy Home in Cambodia  
Update from Patty Hedges

Hello everyone,

This was our Christmas celebration at Christian Happy Home. It was a very joyful and fun day! The kids were blessed by the gifts they received, and we thank the Lord for your generous gift making it possible.

Hope you had a very Happy New Year! I pray this year will find you with hearts full of joy and walking in close fellowship with the Lord.

We let the kids stay up all night watching movies, which they think is really cool. Probably 15 of them actually lasted all night, then we had breakfast and everyone crashed-out for most of the rest of the day. It was very fun.

Many blessings,

Patty
